**Product Description:**

The Entry and Bedside Consoles are compact furniture created for rooms where space is limited, but the need for storage great.

Despite their playful and whimsical exterior, the Entry and Bedside Consoles offer serious interior storage utility through their multi-compartmental design.

The Bedside Console has just enough room to place a drinking glass, reading material and other bedside items in its drawer and bookshelf. The Bedside Console without leg can be positioned at any height on the wall. A loose wood box sits atop the drawer unit. Wall-mounted hardware.
