

DARK MOON SCONCE

Product Name:

Dark Moon Sconce

Design Year:

2017

Designer / Manufacturer:

PELLE and Erie Basin

Dimensions:

L 24.4in/61.9cm x W 4.6in/11.8cm x H 21.2in/53.8cm

120 V LED Illumination:

Wattage:

Lumens:

Color Temperature: 2700K

Life Hours:

Remote TRIAC Dimmable Driver OR

TRIAC Dimmable Driver in Deeper Canopy

(adds 0.5in to overall projection)

Materials:

LED, Patinaed Metal, Solid Brass, Verde Marble

Made in:

New York USA

Lead Time:

12-14 weeks

Product Description:

Dark Moon is a wall-mounted metal and stone light fixture that mimics a form popular in Arts & Crafts jewelry. The sconce's half-moon is crafted from solid brass that has undergone an aging process of hand-applied jade patina, creating subtle coloration ranging from deep blue-green to carbon black. Below, twelve stone segments dangle from cast brass hardware, forming a freely moving fringe. Each segment is cut from Serpentine marble, whose hues echo the patina of the jade finish above. Light emits from the silhouette of the half moon, diffusing through the stone fringe and highlighting the resonant textures of this illuminated sculpture.

Pictured in Patinaed Metal, Verde Marble, and Solid Brass.
