

TRIPP COLLECTION

P E L L E

The Tripp lighting line combines the grounded stability of a strict geometric form with the radial energy of a spiral's expansive movement. Crafted from minimal materials to create an ultra-sleek design, the Tripp light extrapolates a classic three-sided shape. Panels placed at angles reflect and diffuse, emanating light outwards through apertures. This dynamic architecture creates prismatic patterns that play softly across a room's surfaces. Evoking a sense of the infinitely circling galaxy, the Tripp lighting line embodies a triangulation of strength, energy and essential form.

Tripp Stack

Tripp Mini Sconce

Designed in 2018

Shown in Brushed Steel

W 7.25in/18cm x D 4in/10cm x H 6.75in/17cm
